

Mathematics:

We will use "Ark Maths Mastery" resources to help support our learning of Multiplication and Division and Fractions. We will develop our understanding of key mathematical vocabulary daily. The children will move through a range of questions to embed their learning.

English: By the end of Spring 1, the children will have written a "Narrative" and a "Newspaper Report." Children will also develop their vocabulary, retrieval and inference skills in reading lessons.

MFL: Our lessons will focus on clothes and days of the week." They will cover vocabulary, constructing sentences verbally and in written form. The children will learn the correct pronunciation of key words.

Text Driver:

The Highway Man by Alfred Noyes - English

Diversity Books -

Funky chicken by Benjamin Zephaniah and Respect: The Walter Tull Story

PE: This half term, our PE topics are tag rugby and badminton. We will be developing our co-ordination skills and our hitting techniques .

RE: We will learn about our focus religion "Hinduism." We will also visit a place of worship this half term,

Spring 1 2025 - Year 4 are learning about:

Crime and Punishment through the years.

We will be developing knowledge and understanding of History through studying "Crime and Punishment. By looking at Crime and Punishment through the Roman, Tudor, Victorian and Modern-day times.

Computing: We will be using KAPOW to support us with understanding "Computing systems and networks: Website design." We will learn how to design and create our own website pages.

Design Technology: We will be making "Mechanical Systems." We will develop our historical knowledge of how moving parts are used to make sling shot cars.

Music: We will be developing our music skills with Mrs Tomlinson on the Ukulele and our performance skills.
