

The background of the entire page is a collage of images showing plastic waste, primarily clear plastic bags and pieces, floating in a blue-green body of water. The images are arranged in a grid-like pattern, creating a visual representation of ocean pollution.

English- – In our English lessons, we will be exploring the features and writing a poem, a narrative, and a persuasive letter. As well as this, in our reading lessons, we will be developing our vocabulary choices, retrieval and inference skills.

Text Drivers/Supporting Texts

The Song of Dolphin Bay

Diversity Books

Amazing Women of the Middle East by Wafa' Tarnowska

Music- In Music, we will be learning about music associated with the Holi Festival, investigating how colour and imagery can be represented by music.

PSHE- We will develop our awareness of being healthy, looking further into the affects of banned substances and how to maintain a healthy diet.

Maths – During Spring 2, children will be focusing on fractions, decimals, and percentages. In addition to this, they will be learning about transformations. In our MOT lessons, children will be rounding numbers, looking at multiples and factors and long division/multiplication.

Spring 2 2025

Geography – Why do oceans matter?

In Spring 2, we will be focusing on learning about the importance of the ocean, how we impact it, as well as how the Great Barrier Reef is affected by pollution.

PE- During our PE lessons, we will be developing our skills in tag rugby and swimming. We will be learning how to use space effectively and the rules of Rugby. In netball, we will be practicing pivots as well as shooting.

Foreign Language – We will focus on the unit 'Spanish Portraits. We will learn about how to describe portraits verbally and through writing, using nouns and adjectives.

Science – For Science, our focus will be biology, where we will be looking at life cycles and reproduction. We will be investigating life cycles in animals and plants, as well as how they reproduce.

Computing – We will be programming, using Micro:Bit to execute programs we have made.

Art- We will be drawing our inspiration from Cai Guo-Qiang, creating interactive 3D art installations.

RE- Throughout Spring 2, Year 5 will be learning about Christianity and their beliefs.
