

English- In our English lessons, we will explore the features of and writing a narrative and a diary based on the short film 'Beyond the Lines'. As well as this, in our reading lessons, we will be developing our vocabulary choices, retrieval and inference skills

Text Drivers/Supporting Texts

The Silver Hand by Terry Deary.

Diversity Books

Anthology of Amazing Women

Music- In Music, we will be learning about how music is used in musical theatre, and selecting appropriate music to help tell a story.

PSHE- We will develop our awareness of our self-image, and learn what happens to our bodies during puberty.

Maths - During Summer 2, children will be focusing on be calculating with whole numbers and decimals using different operations, 2D and 3D shapes, volumes, and solving worded problem questions.

Geography – Summer 2

Would you like to live in a desert?

In Summer 2, we will be focusing on our strand knowledge about desert biomes, their physical features, as well as exploring the similarities between deserts and our local area.

PE- During our PE lessons, we will develop our cricket and swimming skills. We will be learning new bowling and batting techniques. In swimming, we will be developing our confidence in the water.

Foreign Language – We will focus on the unit 'Saving South America' and developing their use of Spanish to help raise awareness of environmental problems in South America

Science - For Science, our focus will be on whether the size of an asteroid affects the diameter of the impact crater.

Computing - We will be creating exploring our knowledge of programming and learning more about the Mars Rover.

DT - Our main thread for DT will be on cooking healthy food. We will be designing our own recipes for spaghetti bolognese, before then cooking our own version!

RE-Year 5 will be learning about Hinduism, karma and what it teaches about life after death.
