

**English** - This half term we will be learning about The Odd Egg. We will be using adjectives, conjunctions and the present tense to write a fact file.

**Maths** - We will use 'Ark Maths Mastery' resources to help support our learning of numbers to 50. This term we will practise writing numbers in words and numerals. We will learn about number bonds to twenty. We will explore the whole and parts of numbers. We will develop our understanding of key mathematical vocabulary and move through a range of fluency questions.

**DT** - This term our design and technology will be influenced by the Bill Baird. We will be tasting different foods and deciding what foods to include in our own smoothies. We will be making and tasting our own smoothies.

### Phonics

This half term, we will continue to learn phase 5 sounds and practice reading them in words and begin to learn how to select the correct alternate grapheme pronunciation for different words.

### History Spring Two 2025-2026

#### How have toys changed?

We will be developing knowledge and understanding of history by studying toys from the past and in living memory. We will begin by placing the Victorian era on a timeline. We will then explore popular toys from the past.

Finally, we will order old and new toys chronologically and will compare and sort different toys.

**Computing** - We will look at creating media this half term. We will learn how to take a sequence of photos, ensure the photos we have taken are clear, and begin to edit photos.

**PSHE** - This term we will be learning about citizenship. We will be learning about how we are the same and different to each other and the different groups we belong to. We will begin to learn about how to look after others.

**R.E** - We will learn about our focus religion Christianity and explore the importance of Easter. We will recall events and make links with a story or Palm Sunday and Christians today.

**Music** - We will be developing our music skills using our Kapow learning journey 'Fairytale'. In this they will develop their understanding of sound patterns and rhythm and will tell a familiar fairytale.

## Homework

In Year 1, homework will be given out on a Friday and should be returned to Miss Vincent by the following Friday.

Children will be given Spelling homework linked to their phonics learning in the week and will be tested the following Friday. They will also be given a reading book to read at home with their adult three times a week. Year 1 will also be given a Numbots login to support and develop their fluency in maths.

## Nonsuch Values

During this half term, the children will be focussing on a different Nonsuch Value each week. These are:

- Compassion
- Self-awareness
- Aspiration
- Commitment
- Resilience
- Integrity

## PE

This half term we will be developing our skills with a racket. We will be learn to hit a ball with a racket and develop this skill over the course of the unit. We will also learn to send a ball using a racket and to hit the ball over the net.
