

Mathematics: Year 2 will be focusing on addition and subtraction, money and faces, shapes and patterns; lines and turns this half term. In their MOT lessons, year 2 will be looking at addition, subtraction, multiplication and division to embed this knowledge and further their quick recall of number facts.

PSHE: In PSHE year 2 are going to be looking at Economic wellbeing. Year 2 are going focus on that some adults earn money by having a job. Some basic needs for survival and what is a bank account card used for. The concept of saving money and understanding its benefits for future goals or things they want to buy. The difference between a 'want' and 'need'.

English: In English this half term, we will be using the key text drivers 'The Dragon Machine and Toys in Space'. From these texts, Year 2 will be writing a narrative which in which they will be identifying and applying, conjunctions, apostrophes for possession, dialogue, commas in a list and expanded noun phrases, adjectives and adverbials.

Science: In science this half term, Year 2 will be investigating seeds, bulbs and plants and recognising the conditions required for germination and healthy plant growth.

Summer 1 - 2026 – Class 2B are learning about:

Why is our world wonderful?

In geography this half term, Year 2 will be exploring why our world is so wonderful. Year 2 will first look at geographical characteristics of the UK and then locate some of the world's most amazing places, looking at both the human and physical characteristics. Year 2 will explore the five oceans and locate them on a map. Looking at our local area, Year 2 will draw human and physical features on a map, investigate the local habitats and look at how we can look after our natural habitats.

PE: Year 2 will be developing their fundamental skills of balancing, running, changing direction, jumping, hopping and skipping. Year 2 will be given opportunities to work with a range of equipment.

DT: This half term, Year 2 will be looking at Bill Granger and his life as a chef. From this, Year 2 will look at the foods we need to eat to have a balanced diet. Year 2 will then look at the ingredients.

RE: In RE this half term, Year 2 will be focusing on Islam and will be discussing the key features of a mosque and their significance to the Islamic faith.

Music: Year 2 will be developing an understanding of structure by exploring and ordering rhythms.
