

English - In our English lessons, children will create a version of the story 'The Mermaid of Zennor'. Exploring the use of perfect tense to write letters, using first person to retell events and organise ideas to plan a legend story. In the story 'FArTHER', children will get the opportunity to write a sequel to the story.

Text Drivers/Supporting Texts

The Mermaid of Zennor

FArTHER

Annie Lamsden The Girl of the Sea

The Story of Flight

Music - In Music, we will be continuing lessons with Miss Tomlinson to continue learning Ukelele.

PSHE - We will be learning about Citizenship and what groups of people are involved in a local community.

Maths - During Spring 2, children will be continuing work on fractions. In addition to this, they will be learning about time. In our MOT lessons, children will be rounding numbers, looking at column addition and subtraction and multiplication.

Spring 2 2026

History - How did the achievements of Ancient Maya impact society?

In Spring 2, we will be learning about Ancient Maya civilisations, their achievements, their cities and ultimately their decline.

PE - During our PE lessons, we will be developing our tennis skills. We will be building skills, confidence, teamwork and basic tactics through control and competitive play.

Foreign Language - We will focus on the unit food and drink. We will learn to express likes and dislikes about food, ask and answer questions about preferences.

Science - For Science, our focus will be on vibrations. The children will learn how sounds are made, the relationship between volume and distance, and what can be used to muffle sound.

Computing - We will be understanding how to interpret data about weather.

DT - We will be continuing to make toy cars based on the focus of Henry Ford.

RE - Throughout Spring 2, Year 5 will be learning about Christianity and their beliefs.
